Lesson 1 — A Day with a Phone

Part 4 of 11: Grammar — the present simple

Level: A1+ (entry) → first step toward A2

About 30 minutes · this part carries a sheet

Lesson 1 has no tense to come back to yet — this is where the course starts. Everything below is already in the passage you have read.

3.1 One shape, one change

Every sentence about now, every day or always uses the same shape. Only he, she and it change it, by adding -s.

PERSON	VERB
I / you / we / they	wake up, eat, study
he / she / it	wakes up, eats, studies

3.2 Straight from the passage

FROM THE PASSAGE	WHY
Sami lives in a small flat.	he → lives
He wakes up at six o'clock.	he → wakes
They drink tea.	they → drink
The students talk and practise.	they → talk
The internet is often slow.	it → is

3.3 The time words that go with it

> every morning · every day · at six o'clock · in the evening · sometimes · often · always · before he sleeps

When you see one of these, the verb takes this shape. They are the signal.

3.4 Negative and question

	FORM	EXAMPLE
Negative	do not / does not + the plain verb	He does not use a computer at home.
Question	Do / Does + person + the plain verb	Does he study computers?

Note the plain verb after does: does he study, never does he studies.
