5.2 Writing — "The Day I Lost Something" (8–10 sentences)

Model answer (copy the shape, change the words):

> Last year, I lost my student card. One morning, I put it in my pocket and went to college. At ten o'clock, I opened my pocket, but the card was not there. I looked everywhere. I asked my friends, and I walked back to the bus station. I did not find it. The office gave me a new card after one week. Now I keep a photograph of my card on my computer. It is a small backup, but it helps.
